Dear Sir,

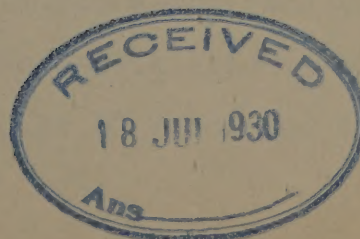

We have pleasure in enclosing you a report
of an interesting anatomical item.

May we send this for you to see?

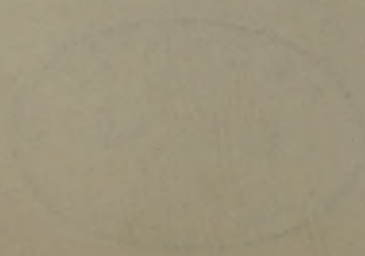

Yours faithfully,

Maggs Bros

WAGGERS

CASSERIUS, Julius or Placenterius,

De Vocis auditusque organis. Historia Anatomica
singulari fide methodo ac industria tractatibus duobus
explicata..

Title-page with remarkable engraved border of human
and animal skeletons, Two full page engravings
representing the author and Duke Ranutius Farnese,
and 34 fine full page engravings of the anatomy of
the throat and ear.

Ferrara, 1600-1601.

Folio. Old vellum.

£25.

The First Edition of the notable work on the Throat
and Ear, written by Julius Casserius, pupil, assistant
and successor of Fabricius at Padua, where William
Harvey was one of his pupils. He specialised in the
study of the anatomy of the organs of voice and hearing.
